

# New Scheduling Process With Call-In Option

Digital Fleet has made scheduling easier, more reliable, and secure.

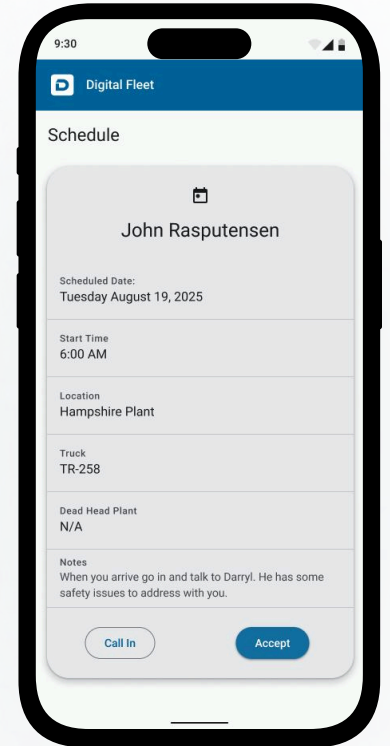

## Callouts By Text/Email

- Callouts will now include a link to a new schedule page.
- Click the link!

## View Your Schedule

- Enter your PIN to view shift details.
- Click to View Schedule!

## Acknowledge Schedule

- **Accept:** Confirm you're available for the shift.
- **Call In:** Notify dispatch you will not be in (Reason Required).

## Important Notes

- Dispatch sees your response immediately.
- All responses are logged with date, time, and any message.
- Call In messages display on the dispatch scheduling screen for quick follow-up.
